CERTIFIED WEDDING COORDINATOR

Full Service *Planning*

Our most complete level of support. We are with you from very early on — often 12 to 18 months out — guiding every stage, from the first budget conversation to the last dance, so you, your family, and your guests can be fully present for it.

THE LOCAL INC.

01 Building the Plan

We start with the big picture and set the foundation everything else is built on.

- Budget building and tracking
- Overall plan and planning timeline
- Venue search and site visits
- Regular planning meetings

02 Vendors & Details

We source, book, and manage every vendor so nothing falls through the cracks.

- Sourcing and booking every vendor
- Contract and payment schedule management
- Design and decor direction
- Guest and logistics planning

03 On the Wedding Day

Full coordination from setup to the last dance, led by the person who knows your plan best.

- Oversee setup of decor and details
- Run the rehearsal
- Manage the timeline and vendors
- Handle the unexpected, quietly

04 Customization & Investment

Every wedding is different, so we do not publish set pricing. Full Service Planning begins at $6,000 and is tailored from there to the scope of your day.

Ready to talk through your day?

Reach out and we will find a time for that first call.
